Dated, Tumkur, the 25th May 1942.

DC 442-96

Re Mysore enhancement of the rates of lighting charges in Tumkur Municipality due to the rise of the price of kerosine oil and lighting materials etc,

Sir,

In forwarding herewith in original the connected records received from the President, Minor Municipal Council, Tumkur, on the above subject, I have the honor to state as follows -

The President states that the lighting contract of this town for a period of 3 years i.e. 30-40 to 41-42 was given to one Thimma Gowda as per terms of the mutchallika executed by him (which is also herein enclosed)

It is stated that the contractor presented a petition to the Council, for the enhancement of the existing rates of lighting charges due to the rise of price of kerosine oil and other lighting materials. The petition was considered by the Council at their meeting held on 20-1-1942 and it was resolved that the marginally noted enhanced rates may be given from January, 1942 to June, 1942 and that sanction may be obtained to the payment of Rs 50-10-0 to the contractor.

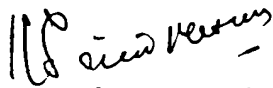

As this additional expenditure relates to the previous year and as no extra provision has been made in this behalf in the current year's

vide overleaf

year's budget, I request that sanction of Government may be obtained for the payment of the amount out of the closing balance during the current year

I have the honor to be,
Sir,
Your most obedient servant,
